

MOTORACE 2T

1L

2 stroke motor oil

Fully synthetic

Fully synthetic oil formulated for all modern air-cooled and liquid cooled (that do not require the BIA standard) **two-stroke engines running in racing environment** or under extreme conditions.

PERFORMANCE

**API TC | ISO L - EGD | JASO FC/FD
PIAGGIO HEXAGON**

Detergent and antiwear additives

Pistons protected against wear, spark-plug fouling and clogging reduced.

Excellent lubricating power

No ring sticking and full safety under extreme use conditions.

Synthetic bases

Exhaust emission reduced.

«New generation» additives

Few deposits even when diluted with leadfree petrol

Technical data

Colour : green
Viscosity at 40°C (cSt) : 62
Viscosity at 100°C (cSt) : 10.2
Viscosity index : 152
Flashpoint (°C) : >110
Density at 20°C : 0.887

The given data are typical data.
