

HUSYNN 0W30

30L | 60L | 220L

4 stroke motor oil

Fully synthetic

High performance **fully synthetic oil** developed for **petrol or diesel engines** of passenger cars, including engines equipped with TDI, HDI, COMMON RAIL. This high viscosity index oil is perfectly suitable for **use all year round** and is miscible with all standard engine oils.

PERFORMANCE

**API SM/CF | ACEA A3/B3/B4 | Performance level: VW 503.00 - 506.00 - 506.01
PORSCHE - BMW LL-98 | MB 229.3**

High fluidity at low temperature

Fuel savings
Engine life extended.

Low volatility

Oil consumption reduction.

High dispersing power

Engine better cleaned
Exhaust fumes reduction.

Excellent temperature behaviour

Full protection at high temperature.

Technical data

Viscosity at 40°C (cSt) : 63.5
Viscosity at 100°C (cSt) : 11.6
Viscosity index : 180
Viscosity at -35°C (cP) : 6000
Density at 20°C : 0.857

The given data are typical data.
