

## ACCOFARM 15W40 FI

30L | 60L | 220L

Multi purpose oil

Mineral

Multi purpose oil developed for the **lubrication of all major tractor components** : engines, wet brakes, transmission and hydraulic systems.

**API CG4/CE/SF | API GL4 - GL5 (high torque – low speed)**  
**CCMC D4 | MIL.L. 2104D**  
**JOHN DEERE DM J27 | MASSEY FERGUSSON M1139/1144**  
**FORD M2C 159B | MB 227.1**

#### Friction modifying additive

Jamming effects prevented.

#### Detergent, dispersant, anticorrosion and extreme pressure additives

Protection against varnishing, gumming and deposits formation

No damage of the gaskets.

#### Technical data

Viscosity at 40°C (cSt) : 100

Viscosity at 100°C (cSt) : 13.6

Viscosity index : 134

Density at 20°C : 0.887

Viscosity at -20°C (cP) : 6500

The given data are typical data.
